RESIDENCES

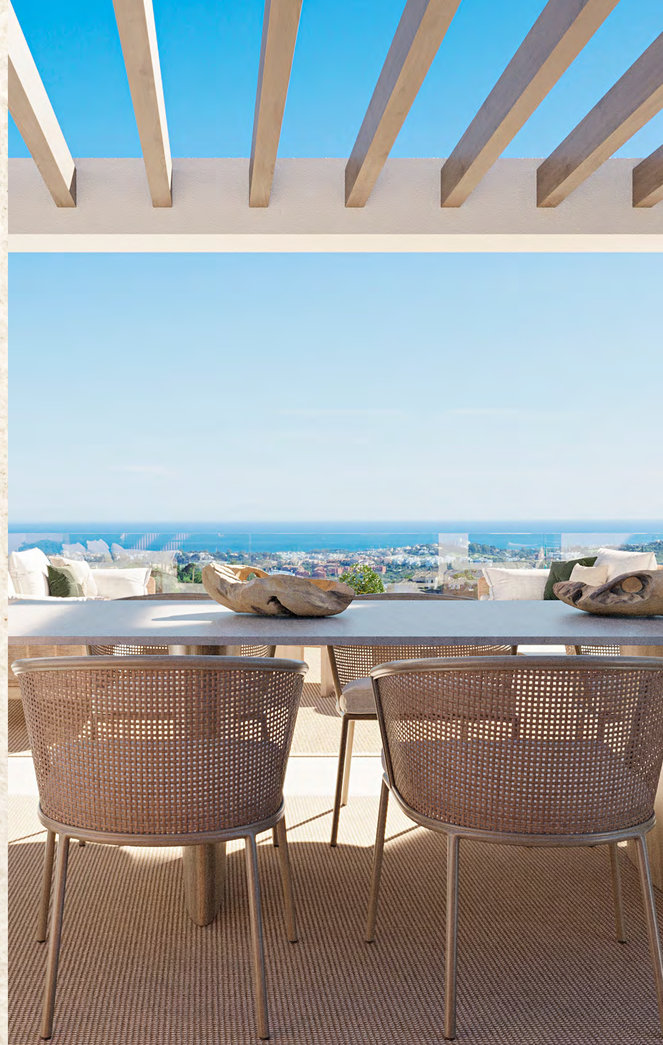

Welcome to Altura Residences, an exclusive collection of five luxury residences in the heart of La Quinta, one of Marbella's most sought-after enclaves. Designed by GC Studios and developed by Kasa Developers, this boutique 24-h gated community with incredible sea views redefines contemporary Mediterranean living through timeless architecture, elegant interiors, and an effortless connection with nature.

Each residence has been thoughtfully designed to balance style and comfort, featuring open-plan layouts, floor-to-ceiling windows, and seamless indoor-outdoor transitions. Natural light fills every space, highlighting refined finishes, bespoke kitchens, and expansive living areas that flow onto private terraces with panoramic views of the mountains and Mediterranean sea.

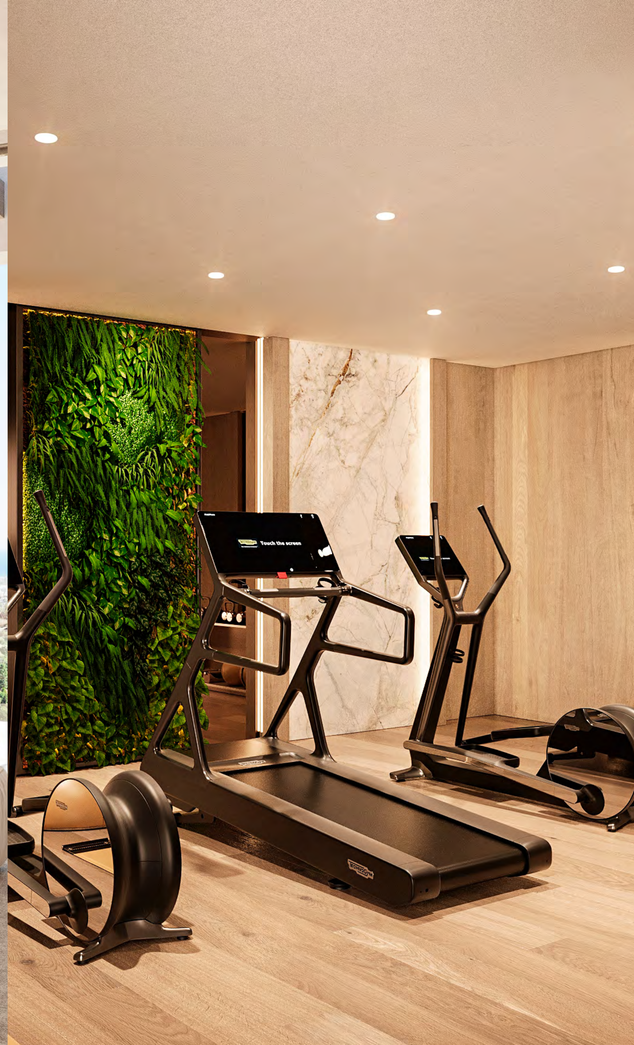

Spread across multiple levels, each villa offers four to five spacious bedrooms, all with en-suite bathrooms and a luxurious master suite complete with a private terrace. The lower floors feature wellness and leisure spaces, from private gyms and saunas to multipurpose entertainment rooms, while rooftop solariums invite you to unwind under the Andalusian sky.
