MIJAS

A place to find
yourself

A project for your
future

SAVIA is a magnificent residential complex of 3 and 4-bedroom semidetached houses which emerges in front of a natural area with leafy pine trees.

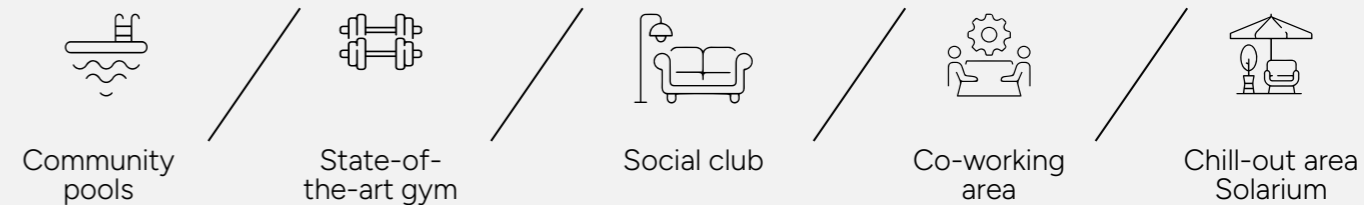

It is a project designed to enhance the beauty of the surroundings by creating a resort space with superb communal services and excellent individual amenities.

Undoubtedly SAVIA is the best choice for those looking to build a bright future for themselves and their loved ones.

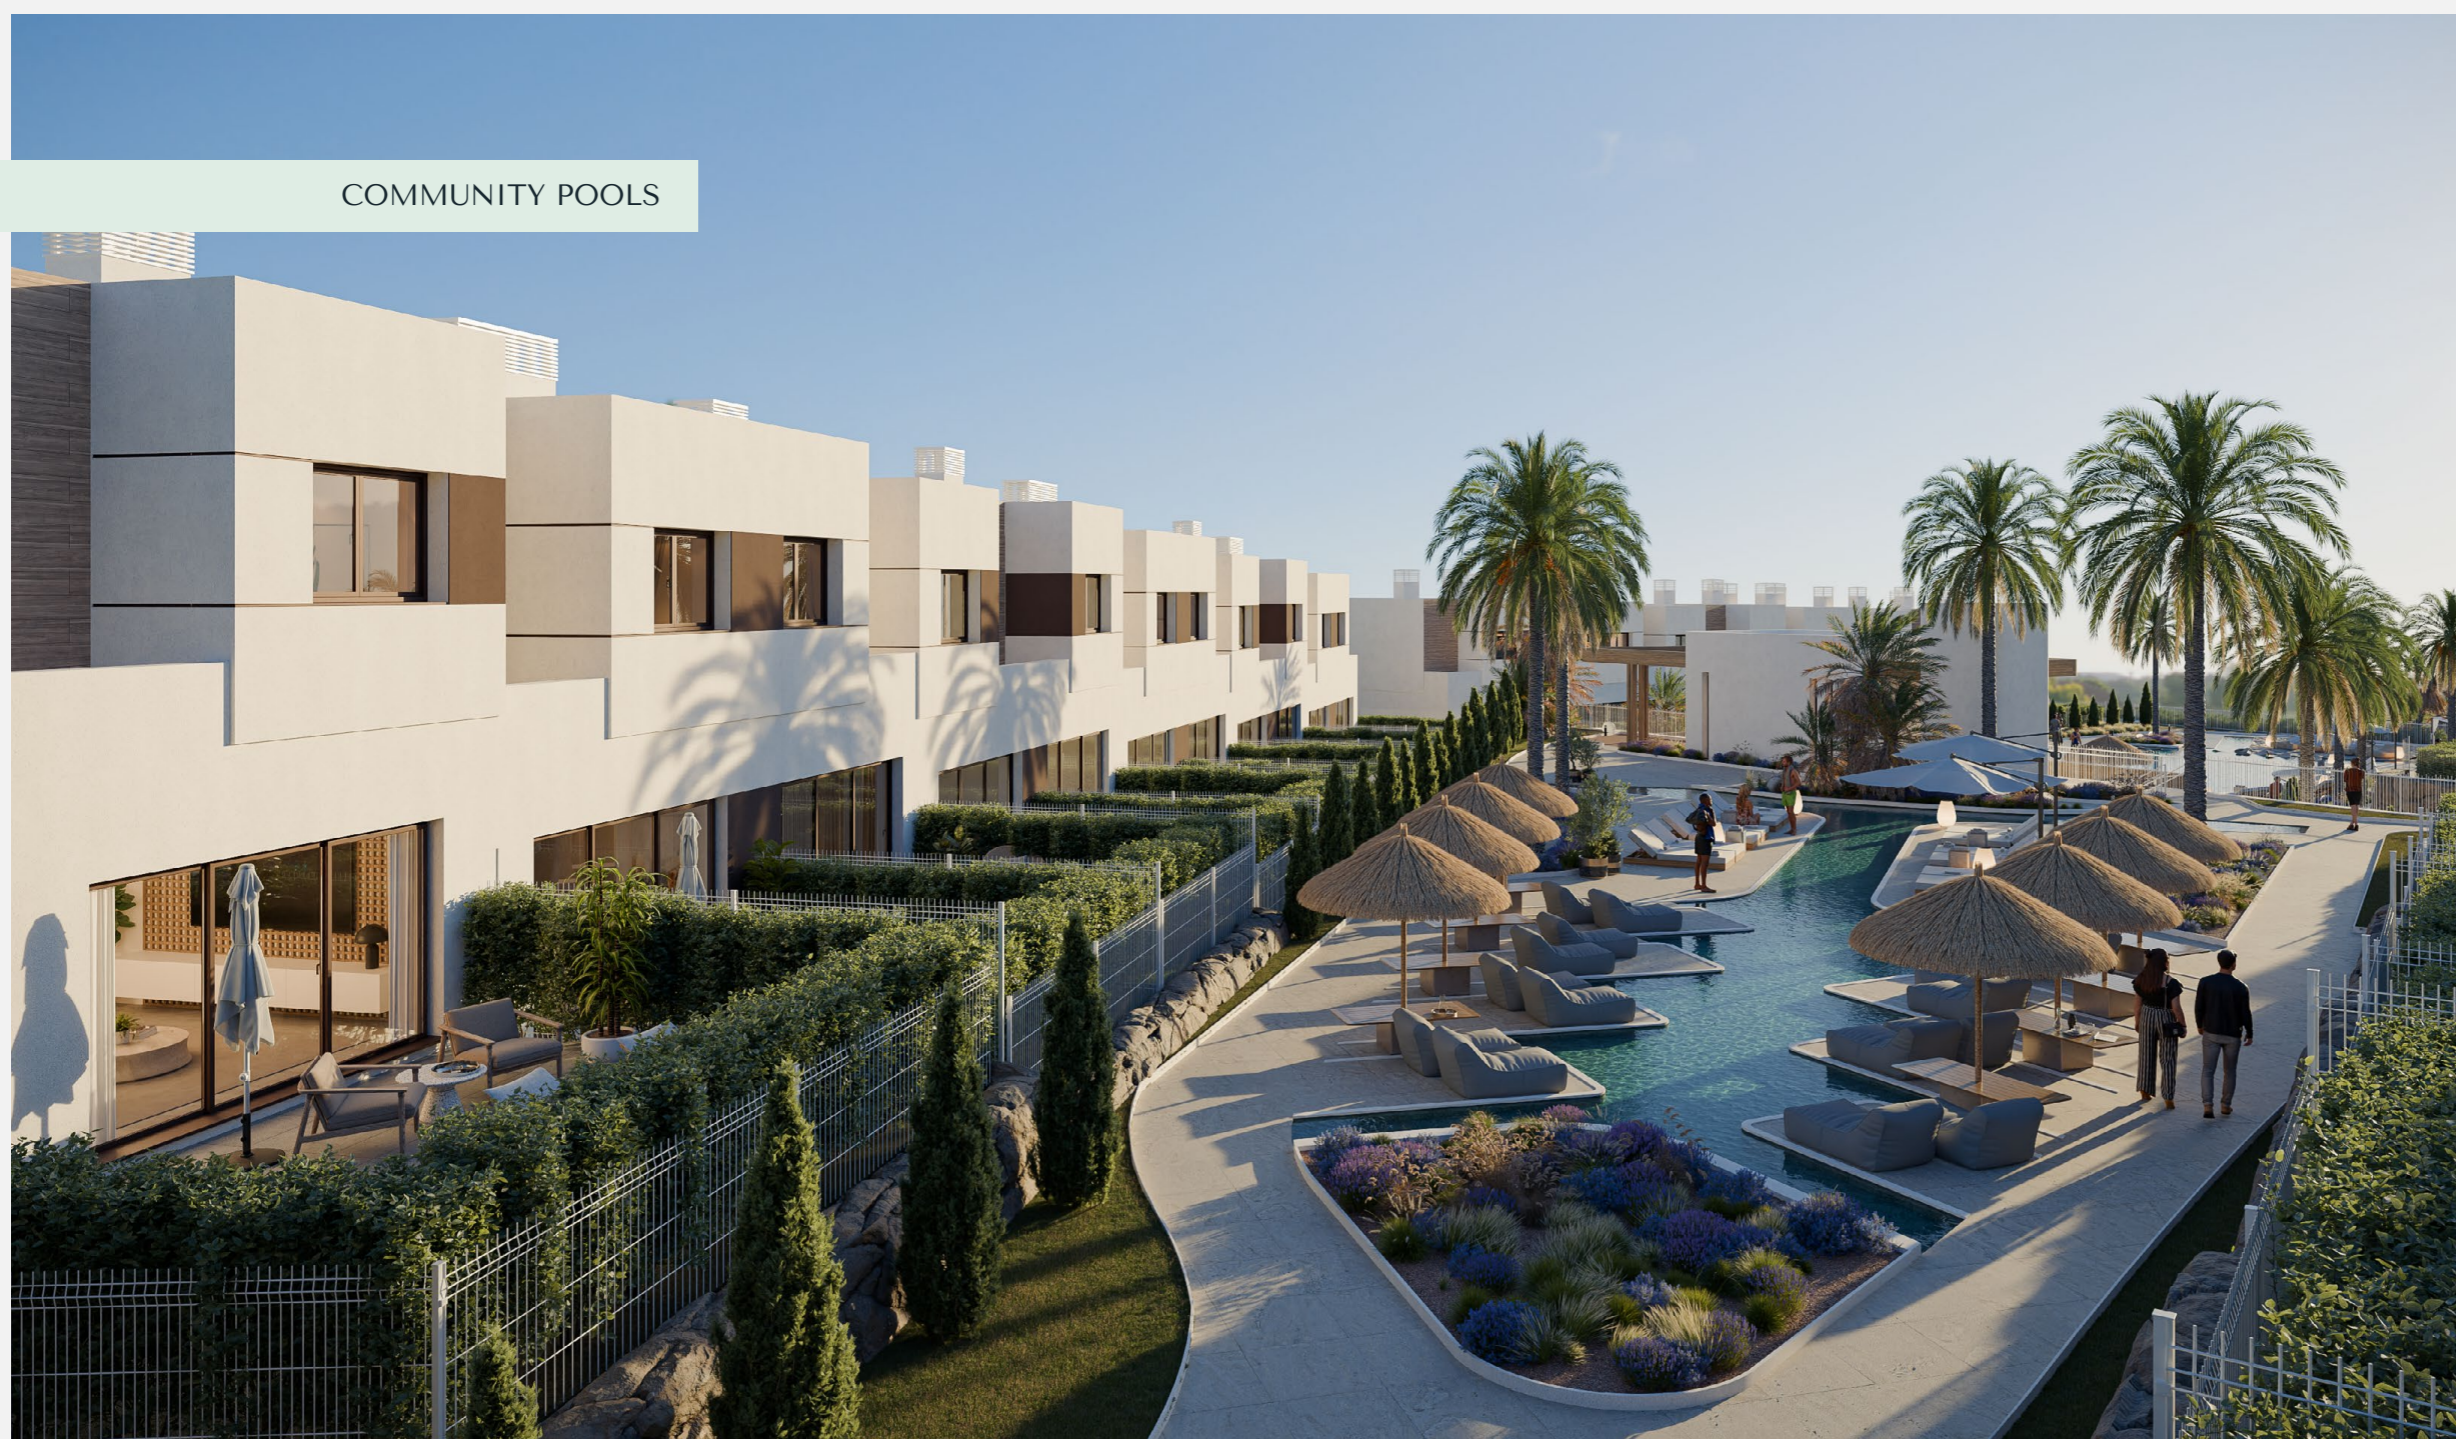

The best at your fingertips

From the communal swimming pools, perfect for cooling off and enjoying the sun, to the fully equipped gym, every communal space at SAVIA is designed to enhance your quality of life. The social club and *co-working* area provide **ideal places for meeting and collaboration**, while in the *chill-out* area you can unwind and let yourself be carried away by the surroundings.

COMMUNITY POOLS

Create your daily life

At SAVIA, the common areas have been designed to enrich your daily life, offering a wide range of services and spaces to enjoy and connect with your loved ones and neighbours. These areas not only complement your home, but also give you the opportunity to relax, stay active and socialise in a safe and modern environment right on your doorstep.

SAVIA's social club is the perfect meeting point to enjoy shared moments with your neighbours, family and friends. Designed to be a welcoming and versatile space, it is ideal for organising events, meetings or simply relaxing.

The *co-working* area is an excellent option for those who work from home or prefer a workspace away from home.
